

Production Screw Machine Company

***Production Screw Machine Company***  
*a Division of GMD Industries, LLC*  
 (www.psmco.com)

**Precision Machining is WHAT We Do, Veteran Values are WHY We do it!**

Cage Code.....0EW35

Duns #.....038723508

**Organization.....**Service Disabled  
 Veteran Owned (SDVOSB) & HUB  
 Zone Certified through the SBA

EIN.....311742715

**NAICS Codes**

332721 Precision Turned Product Mfg

336330 Motor Vehicle Steering and Suspension

336412 Aircraft Engine and Engine Parts Mfg.

335413 Other Aircraft Parts and Aux. Equip. Mfg.

336992 Military Armored Vehicle, Tank, &amp; Tank Component

339113 Surgical Appliance and Supplies Mfg.

Components

333613 Mechanical Power Transmission Mfg

336399 All other Motor Vehicle Parts Mfg

332999 All other Misc. Fabricated Metal Product Mfg

332722 Bolt, Nut, Screw, Rivet and Washer Mfg

332510 Hardware Mfg

332710 Machine Shops

**Corporate Overview:**

Established in 1981, GMD Industries, LLC is a leading supplier of aerospace, automotive, medical, and commercial precision machined metal components. We are an ISO9001:2015 with AS9100D certified, ITAR registered company.

**Corporate Mission:**

To incorporate the best quality and value into the components we produce for our customers, recognizing that the reputation and performance of their products depend on our commitment to high quality standards in material and component production.

To create value for PSMCo, a division of GMD Industries LLC; its employees and owners continue to increase our preferred manufacturer status, which we maintain with our many customers today.

**Manufacturing Flexibility Drives our Success**

With over 100 combined years of skilled craftsmanship, a full complement of world class production equipment, shipping & receiving, fast turn-around on RFQ and order entries, PSMCo, a division of GMD Industries LLC, is fully prepared to meet the demanding quality and delivery standards applied to today's component suppliers. In addition to our wide range of product capabilities and the application of high quality standards to our manufacturing processes, we offer many secondary operations to complement our core capabilities.

**We are also Preferred Suppliers to:****Aerospace****Medical****Automotive**

Production Screw Machine Company

### What Makes GMD Unique

- \* AS9100 - The highest quality management system in place.
- \* TURN KEY OPERATION; Prototype through Production
- \* PREFERRED SUPPLIER Aerospace, Medical, Defense and others
- \* ITAR REGISTERED; Your business security – Our priority
- \* ON-TIME DELIVERIES – over 95% with all reporting customers
- \* 5S INTEGRATED; Consistent Improvement Quality-Safety-Production.
- \* MODERN INVENTORY MANAGEMENT SYSTEM; Timeliness & Traceability

## Core Capabilities

### SWISS Type Machining

- \* 8 Axis with Live Tooling
- \* 25MM Capacity

### CNC Lathes and Mills

- \* 5 & 6 Axis Turning Centers
- \* 2 & 3 Axis Mills
- \* Wire EDM

### Multi-Spindle Screw Machining

- \* 6 & 8 Spindle Automatic Screw Machines
- \* NC Controlled Screw Machines
- \* Capacities up to 1 5/8"

### Hydromat Rotary Transfer Machines

- \* 12 & 16 Station Rotary Transfer Machines
- \* Capable of Producing Many Parts Complete with No Secondary Operations
